

**Read Item - Austin And Repatriation Medical Centre Dermatology Unit**

**Author:** KE Thai

**Date:** 09/06/2000

**Publisher/Journal:**

**Keywords:** ARMC

**Abstract:** A brief summary of the service available at the ARMC

---

This site contains teaching cases aimed mainly at medical students, interns, general practitioners and dermatology trainees who feel like a gentle challenge. Most cases are straightforward but some are a bit more esoteric.

It also contains research material relating to skin cancer, and information about some of the 'Famous Names of Dermatology'.

Please click on the link to their site below.
